Investing for Success

Under this agreement for 2019
Woody Point Special School will receive

$64,152*

This funding will be used to

**Literacy and Communication:**
- All students achieve their highest level of communication competence through frequent active involvement in socially supportive contexts.
- All students will achieve positive learning outcomes in literacy through the active engagement in a consistent whole school approach.
- ICT resources are applied across the school in a targeted manner to meet the learning needs of all students.

**Curriculum and Pedagogy:**
- All students access the Australian Curriculum through the enactment of a student-centred whole-school plan for curriculum delivery.
- All students are engaged, challenged and extended through a diverse range of specialised pedagogical practices to meet their learning needs, levels of readiness, interests and motivations.

**Community Wellbeing and Engagement:**
- The school leadership teams of both Woody Point and Redcliffe Special Schools work collaboratively to deliberately and strategically build their existing partnership.
- The school effectively uses its physical environment and available facilities to maximise student learning, funds, while giving priority to initiatives aimed at improving facilities and resources.

**Our initiatives include**
- Providing opportunities for teachers and teacher aides to engage in effective professional development, coaching and observational feedback to improve teaching practices in priority areas.
- Engaging additional Speech Language Pathology time to support priority areas.
- Provide additional literacy and ICT resources to support key learning areas.

**Our school will improve student outcomes by**
- Professional development costs and release time for teachers and teacher aides to engage with coaches and mentors, collaborative planning and targeted professional development $20,000
- Release time for teacher aides to engage in short term professional learning opportunities at Redcliffe Special School $3,659
- Providing additional Speech Language Pathology time to support literacy programs terms 2-4. $13,954
- Purchasing additional ICT resources to support literacy and communication programs. $20,000
- Purchasing literacy resource to support the implementation of the whole school literacy plan $6,539
